

GloGrid USA Secures Strategic Investment from KHI Consulting Inc., Canada

FARLEY, IA, UNITED STATES, July 8, 2025 /EINPresswire.com/ -- [GloGrid Solutions LLC](#) in USA ("GloGrid USA"), a fast-growing provider of multi-commodity manufactured products, intelligent global sourcing and VMI-enabled operations, today announced a strategic equity investment from KHI Consulting Inc., a Toronto-based consulting and marketing firm. Under the agreement, KHI will acquire the second-largest equity stake in GloGrid USA, while [GloGrid India](#) will maintain its controlling ownership, ensuring continued global alignment and operational synergy. The transaction is expected to close by September 30, 2025, subject to regulatory approvals. Financial impact will be reflected in Q4 2025 results.

Strategic and Operational Impact

Facility Expansion & Output Growth

With this capital infusion, GloGrid USA plans to expand operations to additional states in the USA and double its capacity for smart modules and complex assemblies by Q1 2026.

Compliance & Certifications

The investment will accelerate the enhancement and certification of GloGrid USA's systems, strengthening its position in highly regulated and high-reliability markets.

Supply Chain Optimization

KHI's deep customer network across North America will facilitate improved supply chain performance, reducing operational and input costs by an estimated 20% and enhancing delivery

efficiency to OEM clients.

Operational Excellence & Best Practices

GloGrid USA will implement proven methodologies from GloGrid India, including lean manufacturing, Vendor Managed Inventory (VMI) systems, and robust quality assurance processes, driving greater operational excellence and output consistency.

“This partnership marks a pivotal milestone in our U.S. growth strategy,” said [Ashish Kurhade](#), Founder of GloGrid USA. “KHI’s strategic backing accelerates our domestic expansion, while GloGrid India’s majority stake ensures we remain focused on innovation, quality, and global best practices.”
