

# Falkon SMS Launches HubSpot Integration to Power Real-Time CRM Messaging

*Falkon SMS now integrates with HubSpot to sync contacts, automate texts, and soon, offer full message history without leaving your CRM.*

HOUSTON, TX, UNITED STATES, June 30, 2025 /EINPresswire.com/ -- [Falkon SMS](https://www.falkonsms.com), a modern business text messaging platform, has officially launched its HubSpot SMS integration, allowing sales, marketing, and support teams to send and receive text messages directly from within their [HubSpot CRM](#) accounts. The new integration offers seamless contact sync, message automation, and more—designed to accelerate customer engagement and streamline operations.

“

With Falkon SMS, HubSpot users can finally manage SMS conversations, automation, and analytics—all without leaving the CRM.”

*Yeswanth, Associate Product Marketing Manager at Falkon SMS*

This integration empowers teams to communicate faster, stay organized, and manage conversations in real time without switching tabs or juggling external SMS tools.

"Falkon SMS empowers HubSpot users to turn every contact into a conversation—combining real-time messaging, automation, and CRM visibility to drive smarter customer engagement," said Suresh Gadiraju CEO of Falkon SMS.
