

Meet Novada at Affiliate World 2025 Budapest

*Empowering Performance Marketing with
Intelligent Data Solutions*

DUSSELDORF, GERMANY, August 14,
2025 /EINPresswire.com/ -- MEET
[NOVADA](#) AT AFFILIATE WORLD 2025
BUDAPEST
Premium Proxy Services & Data APIs

Novada, a leading global proxy IP solution provider, will showcase cutting-edge data collection technologies at [Affiliate World Europe 2025](#), September 4-5 in Budapest, Hungary. The company will demonstrate comprehensive proxy services and data APIs designed specifically for performance marketing professionals at Booth A50.

HIGH-PERFORMANCE PROXY INFRASTRUCTURE

Novada's network delivers 99.9% success rates with over 100 million residential IP resources spanning 220+ countries and regions. These authentic home device IPs effectively bypass blocking mechanisms, providing stable foundations for large-scale data collection operations.

COMPREHENSIVE PRODUCT PORTFOLIO

Proxy Network Solutions

Novada logo

A promotional banner for Novada. It features the Novada logo in the top left corner. The main text reads 'New User Exclusive' in purple, followed by '\$5.5 for 5GB' in large, bold, red and purple font. Below this, it says 'Premium Rotating Residential Proxies' in purple. At the bottom left, the website 'www.novada.com' is listed. The right side of the banner is decorated with an illustration of several people interacting with a large digital screen displaying various data visualizations like charts and graphs. The background is a light blue gradient with subtle grid patterns.

New User Exclusive. \$5.5 for 5GB Premium Rotating Residential Proxies.

- [Residential Proxies](#) - 100+ million genuine IPs with unlimited bandwidth and concurrency
- Mobile Proxies - Cellular network IPs from real mobile devices for ultra-high anonymity
- ISP & Datacenter Proxies - Lightning-fast speeds with 6-hour session continuity
- Unlimited Proxies - No traffic restrictions with personalized customization

Advanced Data APIs

- Scraper API - Automated data acquisition with JavaScript rendering and structured output
- Browser API - Managed browser with customizable dynamic scraping capabilities
- Web Unblocker - Automatic CAPTCHA handling and anti-bot detection bypass
- Video Data API - Structured video data extraction from multiple platforms
- Datasets - Ready-to-use, 100% compliant data collections

MARKETING APPLICATIONS

Novada's solutions empower performance marketing through multiple applications:

Market Intelligence - Large-scale data collection for industry reports, consumer behavior analysis, and social media trend monitoring.

Competitive Analysis - Real-time competitor monitoring including pricing strategies, product updates, and advertising campaigns.

Ad Verification - Geographic placement verification, display effectiveness measurement, and fraud detection capabilities.

SEO Optimization - Multi-region access simulation for search ranking data and keyword performance analysis.

Affiliate Performance Enhancement - Precise traffic data, conversion metrics, and commission tracking for ROI optimization.

Brand Protection - Real-time brand mention monitoring and reputation management across digital platforms.

EXHIBITION EXPERIENCE

At Booth A50, Novada's expert teams will provide live demonstrations of the global proxy system and API integration processes. Visitors can access one-on-one technical consultations for customized solutions including AI training data collection, global market research, and competitive intelligence.

The booth will feature interactive experiences with exclusive gifts and trial opportunities, allowing attendees to evaluate service performance firsthand.

TECHNICAL ADVANTAGES

Novada ensures seamless integration through comprehensive API support, geo-targeting capabilities, and unlimited concurrency options. The company's technical architecture provides high stability, success rates, and anonymity guarantees with enterprise-grade customization capabilities.

All services are built on proprietary infrastructure, ensuring reliable performance and data security for mission-critical applications.

EVENT DETAILS

Event: Affiliate World Europe 2025
