Founded by Amber Comer, Lively Little Ones will serve children ages six weeks to 4 years. The program blends nurturing, play-based experiences with a structured curriculum, guided by experienced teachers committed to helping children grow and thrive.

“Our mission is to support families by providing high-quality care and early learning opportunities that build a strong foundation for every child’s future,” Comer said. “We are excited to open our doors to the community and look forward to partnering with families in their child’s growth and development.”
