

Emperor of the United States and the Council of the Fae decree, San Francisco to Host Wyld Hunt Fae Ball, Oct. 18, 2025

Wyld Hunt Fae Ball - an immersive event with authors, artisans, live music, aerialists, tarot readers, swordplay, scavenger hunts, VIP experiences, & more.

SAN FRANCISCO, CA, UNITED STATES, October 8, 2025 /EINPresswire.com/ -- From the Office of Emperor of these United States and the Council of the Fae — Delivered by the Troll of the Bay Bridge

By Decree of the above mentioned, San Francisco's Hibernia to Host Wyld Hunt Fae Ball, October 18, 2025

The Council of the Fae has declared that the long-awaited Wyld Hunt Fae Ball shall be held at the historic Hibernia in San Francisco on October 18, 2025. Chosen for its spirit of inclusivity and its reputation as a sanctuary, San Francisco provides the ideal ground for reforging the Accord between the realms of Fae and Mortal.

This is full-day immersive event with authors, artisans, live music on two floors, aerialists, tarot readers, swordplay, scavenger hunts, VIP experiences, and four floors of magic.

By day, guests can explore our Authors' Room & Mystic Market, meeting acclaimed fantasy writers and shopping handcrafted treasures (just before Halloween). By night, the Ball transforms into a realm of music, dance, performance, intrigue, and enchantment—culminating in an unforgettable evening of magic and mayhem.

The Ball's proclamation was carried by one of the Bay's oldest guardians — the Troll of the Bay Bridge — who emerged from his post beneath the city's iconic span to declare why the Ball must be held in San Francisco. With a voice that echoed across the waters, he reminded mortals and fae alike of the city's enduring promise:

WHFB offerings

“Because it’s San Francisco. We’re always open, always inviting, and you’re always welcome.”

The Wyld Hunt Fae Ball is also envisioned as a celebration of women’s empowerment — a space where women can revel without restraint, explore their magic, and embody their strength in full safety. Here, every queen, huntress, and wild soul is free to dance, play, and shine without apology.

“The magics that once bound our realms are fraying. Yet through the power of women’s laughter, strength, magic born of joy — balance can be restored. At the Ball every soul may shine in safety and joy. Together, we will weave the Accord anew.” — The Master of the Hunt
