

Gruntworx Announces Seamless Intuit ProSeries Integration with Tax Empowering Professionals to Automate More Stress Less

Gruntworx integrates with Intuit ProSeries, one of the most widely used tax preparation platforms in the industry.

ANN ARBOR, MI, UNITED STATES,
October 22, 2025 /EINPresswire.com/ --

[Gruntworx](#), the leading provider of intelligent automation solutions for tax professionals, is proud to announce its new integration with Intuit ProSeries, one of the most widely used tax preparation platforms in the industry. This strategic partnership marks a major milestone in Gruntworx's mission to eliminate manual data entry and streamline tax workflows for tax firms of all sizes.

“

Practitioners are tired of juggling disconnected systems. With Gruntworx embedded into existing workflow, hours of productivity and faster, more accurate results can be reclaimed.”

*Julie Pierce, Vice President &
General Manager at
Gruntworx*

With this integration, ProSeries users can now directly import organized, verified tax data from Gruntworx into their returns—reducing prep time, minimizing errors, and freeing up staff to focus on higher-value advisory services.

“This integration is a game-changer for firms that rely on ProSeries,” said Julie Pierce, Vice President & General Manager at Gruntworx “We’ve listened to practitioners who are tired of juggling disconnected systems and seasonal bottlenecks. Now, with Gruntworx embedded into their existing workflow, they can reclaim hours of productivity

and deliver faster, more accurate results to clients.”

Key Benefits of the Integration Include:

- Direct import of Gruntworx-organized tax documents into ProSeries
- Elimination of manual data entry for W-2s, 1099s, and other common forms
- Faster turnaround times during peak season
- Enhanced accuracy and reduced review burden
- Scalable automation for firms handling high-volume returns

Gruntworx's automation suite—including Organize, Populate, and Trades—has already helped thousands of firms reduce labor costs and improve operational efficiency. With ProSeries now added to its list of supported platforms, Gruntworx continues to expand its reach and relevance in a rapidly evolving tax landscape.

The integration is available immediately to all ProSeries users. Firms interested in seeing the integration in action can schedule a live demo or access on-demand walkthroughs via the Gruntworx website.

About Gruntworx

Gruntworx is a trusted automation partner for tax professionals, offering intelligent tools that streamline document organization, data entry, and workflow management. By removing the “grunt work” from tax prep, Gruntworx empowers firms to operate leaner, scale faster, and focus on strategic growth.
