## Convenience for Families, Care for Every Smile

Located in Northwest San Antonio, Shaenfield Pediatric Dentistry & Orthodontics focuses exclusively on children — from toddlers to teens — in a friendly, stress-free setting designed to make every visit a positive experience. The new Saturday hours reflect the practice's commitment to putting families first.

"Parents shouldn't have to choose between work and their child's dental care," said Dr. Joanna Ayala, Board-Certified Pediatric Dentist and owner of Shaenfield Pediatric Dentistry & Orthodontics. "By opening on Saturdays, we're making it easier for families to stay consistent with checkups, cleanings, and treatments — without disrupting their week."

## A Team Dedicated to Growing Smiles

The Shaenfield team includes:

Dr. Natalia Velasquez, Pediatric Dentist, who brings warmth, bilingual communication, and specialized training from Boston University to help kids build lifelong healthy habits.

Dr. Noor Mansouri, Board-Certified Orthodontist, who offers braces and orthodontic treatments for children and teens.

Dr. Joanna Ayala, Board-Certified Pediatric Dentist, a San Antonio native passionate about supporting local families through compassionate, patient-centered care.

### Creating a Comfortable Dental Home for Kids

Shaenfield Pediatric Dentistry & Orthodontics provides a full range of pediatric dental services — including preventive, restorative, and sedation dentistry — in a welcoming space tailored for children. Amenities, flexible financing, and family block appointments make it simple for parents to schedule care for multiple kids at once.

The practice serves families throughout Northwest San Antonio, including New Territories, Northwest Crossings, Saddlebrook Farms, Oak Grove, Braun Station, and Wildwood West — communities where Spanish-speaking families are an important part of its growing patient base.

### About Shaenfield Pediatric Dentistry & Orthodontics

Shaenfield Pediatric Dentistry & Orthodontics: Where little smiles come to life.

The practice specializes in dental and orthodontic care for children ages 6 months to 18 years. With a focus on education, prevention, and trust, the team aims to build lifelong relationships with families while helping every child enjoy a healthy, confident smile.
