

Moon Trace by Guangzhou Academy of Fine Arts Wins Silver in A' Fine Arts and Art Installation Design Awards

Guangzhou Academy of Fine Arts Receives Prestigious Recognition for Exceptional Art Installation Merging Eastern and Western Lunar Cultures

COMO, CO, ITALY, October 28, 2025 /EINPresswire.com/ -- The A' [Design Award](#), a highly respected and well-recognized award in the field of [fine art](#) design, has recently announced [Guangzhou Academy of Fine Arts](#) as a winner in the Fine Arts and Art Installation Design category for their exceptional work titled "Moon Trace." This prestigious recognition highlights the significance of the art installation within the fine art industry, positioning it as a noteworthy achievement in design excellence.

Moon Trace

Moon Trace's unique fusion of Eastern and Western lunar phase cultures with dragon motifs aligns with current trends in the fine art world, where cross-cultural exploration and innovative use of materials and techniques are highly valued. The installation's eco-friendly design and seamless integration of modern technology with traditional cultural elements demonstrate its relevance to contemporary fine art practices and its potential to inspire future projects in the field.

The award-winning art installation stands out for its harmonious blend of the moon's form with dragon motifs, utilizing advanced lighting and smoke techniques to explore cultural differences between the Eastern full moon's reunion imagery and the Western crescent moon's hope. The subtle integration of the historically rich dragon element creates a captivating visual feast that transcends boundaries and deeply fuses Sino-French cultural essences, offering viewers an immersive experience that resonates on both cultural and emotional levels.

This prestigious recognition from the A' Fine Arts and Art Installation Design Award serves as a testament to Guangzhou Academy of Fine Arts' commitment to pushing the boundaries of fine art design. The accolade is expected to inspire the academy's future projects, encouraging further exploration of cross-cultural themes and innovative use of materials and technologies. As Moon Trace sets a new standard for excellence in the field, it motivates the academy's team to continue striving for originality and impact in their work.

Moon Trace was designed by a talented team consisting of Design Director Xiayun He, Designers Nanfeng Zhan, Bojia Xiao, Xiaolan Xie, and CLEMENT HIMBERT (French nationality), all from Guangzhou Academy of Fine Arts. Their diverse backgrounds and expertise contributed to the project's successful fusion of Eastern and Western cultural elements.
