This list provides homebuyers with valuable insights into the safety and livability of various neighborhoods across Nevada's cities.

CARSON CITY, NV, UNITED STATES, November 14, 2025 /EINPresswire.com/ -- Houzeo, America's best home buying and selling website, is proud to announce the launch of its "Safest Places to Live" landing pages. The list highlights the top cities in Nevada with the lowest violent and property crime rates, providing homebuyers with objective insights on their house-hunting journey.

The core strength of Houzeo's ranking methodology is its commitment to transparency. Houzeo combines these critical metrics with user-generated feedback and trusted public data to create an all-encompassing view of each location's safety score.

According to Houzeo, Boulder City is the safest city in Nevada, with a safety score of 80 out of 100. Located next to stunning Lake Mead, this small town offers one of the lowest crime rates in Nevada. With a median home price of \$460,000, Boulder City provides great value for families and retirees looking for peaceful living. Neighborhoods like Lake Mountain Estates, River Mountains, and Historic District offer quiet streets and natural beauty.
