

Xplore Health Announces Opening of New Health & Wellness Clinic in the Sacramento Area

Xplore Health opens a new Sacramento-area clinic offering advanced, personalized integrative care for wellness, performance, and chronic illness recovery.

The logo for Xplore Health features the word "XPLORE" in a large, bold, black sans-serif font. The letter "X" is stylized with a white lightning bolt graphic integrated into its left side. Below "XPLORE", the word "HEALTH" is written in a smaller, black, all-caps sans-serif font.

Xplore Health

ROSEVILLE, CA, UNITED STATES,
December 3, 2025 /EINPresswire.com/

-- Xplore Health, an innovative leader in integrative health and wellness, is proud to announce the opening of its new state-of-the-art clinic in the Sacramento area. The clinic brings a cutting-edge, whole-body approach to health optimization, chronic illness recovery, and performance enhancement—designed for individuals seeking advanced, science-backed care in a modern and supportive environment.

Xplore Health provides a comprehensive range of [health and wellness services](#) that blend functional medicine, regenerative therapies, and precision diagnostics to help clients achieve their highest potential in health and longevity.

Xplore Health's mission is to empower people to take control of their wellness with treatments that are personalized, results-driven, and rooted in the latest medical advancements.

Clinic Highlights & Key Services

Located in Roseville, the new Xplore Health clinic offers an elevated, forward-thinking care model focused on restoring balance, improving vitality, and supporting long-term wellness. Services include:

- Athletic Performance Optimization – Programs designed to enhance recovery, increase strength, and improve endurance.
- Chronic Illness Support – Personalized strategies to manage and improve complex health conditions.
- EBOO (Extracorporeal Blood Oxygenation & Ozonation) – An advanced ozone-based therapy supporting detoxification and immune function.
- Gut Health Restoration – Testing and targeted treatments to improve digestion, energy, and overall wellness.
- Hormone Replacement Therapy (HRT) – Customized plans for men and women to support

hormonal balance and vitality.

- IV Therapy – High-quality nutrient infusions to boost hydration, immunity, recovery, and cognitive function.
- Joint Repair & Regenerative Care – Non-surgical therapies to support mobility and reduce inflammation.
- Natural Pain Relief Therapies – Non-opioid approaches addressing chronic pain and inflammation.
- Ozone Therapy – Holistic treatments that support oxygen utilization, healing, and immune strength.
- Specialty Testing – Advanced diagnostic tools to identify root causes and guide treatment.

The Sacramento clinic is designed to deliver a refined, client-centered experience, featuring modern treatment suites, advanced medical technology, and a team of providers committed to whole-person wellness.

Elevating Health Through Integrative, Personalized Care

Xplore Health's Sacramento location combines science, innovation, and individualized care to give clients an unparalleled wellness experience. The clinic's comprehensive model ensures each person receives a tailored plan that supports peak performance, improved longevity, and enhanced quality of life.
