

THE FUTURE PRODUCTS BRINGS NEXT-GEN HOME INNOVATION TO COSTCO

The Fritaire Air Fryer and Fizzle Soda Maker, and the UVI Plus Self-Heating Lunch Box Now Available Online and Will Launch in Stores in early 2026

MIAMI, FL, UNITED STATES, December 3, 2025 /EINPresswire.com/ -- The Future Products, the visionary home-tech brand redefining modern living, is proud to announce its debut at Costco, available online and soon in-store. The launch marks a major milestone for the company's growing portfolio of lifestyle innovations: the [Fritaire Air Fryer](#), the [Fritaire Fizzle Soda Maker](#), and the [UVI Plus Self-Heating Lunch Box](#).

Known for fusing design, safety, and everyday practicality, The Future Products continues its mission to make home life smarter, cleaner, and more enjoyable.

"Each of our products solves a simple, universal problem: how to live better every day," said Andreas Hansen, Founder & CEO of The Future Products. "Joining Costco allows us to share that vision with even more families who value quality, function, and style in everything they use. This is a major milestone for us."

FRITAIRE AIR FRYER: The Original Self-Cleaning, Non-Toxic Air Fryer

The Fritaire Air Fryer has earned its reputation as the go-to kitchen essential for health-minded home cooks. Featuring a fully transparent glass bowl, self-cleaning system, and non-toxic materials free from Teflon, PFAS, and BPA, Fritaire delivers golden, crispy results without compromise. With 9-in-1 functionality and stunning colorways, it's where performance meets personality.

Key Features:

- Fully Transparent Glass Bowl: Watch your food cook to golden perfection.
- Self-Cleaning System: Cleans itself with water and soap. Rinse and repeat.
- Totally Non-Toxic: Free from Teflon, BPA, and PFAS for complete peace of mind.
- 9-in-1 Cooking Functions: Air fry, bake, roast, dehydrate, reheat, and more.
- Sleek Color Options: Available in 7 vibrant hues to match any kitchen.

FRITAIRE FIZZE: The Soda Maker That Carbonates Anything

The Fritaire Fizzle is a sleek soda maker that carbonates anything from water and juice to tea and cocktails. Designed with a bottom-up carbonation system for smoother, more balanced bubbles, a BPA-free bottle for clean drinking, and a foldable base for space-saving storage, Fizzle brings bar-worthy sparkle to every countertop.

Key Features:

- Carbonate Anything: From water to juice, tea, or cocktails.
- Adjustable Carbonation: Strengthen the fizz level to your exact liking.
- Bottom-Up Bubble System: Ensures smooth, balanced sparkle.
- BPA-Free Bottle: Durable and safe for everyday use.
- Foldable Base: Space-saving, portable, and perfect for modern countertops.

UVI PLUS: The Next Generation of Self-Heating Lunch Boxes

The UVI Plus reimagines mealtime on the go with its self-heating system with flexible USB-C charging and a UV light sanitizer for between uses, ensuring clean, hot, and convenient meals anywhere. Designed for modern living, UVI Plus combines performance and portability in a sleek, insulated form that heats meals in under 25 minutes and stays warm for up to 2 hours.

Key Features:

- Convenient Self-Heating: Warms food to the perfect temperature in under 25 minutes.
- Integrated UV Light Sanitizer: Eliminates 99% of bacteria in between uses.
- Universal USB-C Power: Compatible with power banks and adapters for easy use.
- Insulated Design: Keeps meals warm for up to 2 hours after heating.
- Sleek Colorways: Available in 6 nature-inspired colors.

About The Future Products

Founded to simplify the way people cook, eat, and live, The Future Products is building a new category of home essentials that blend innovation, style, and well-being. With a growing roster of breakout brands — including Fritaire and UVI Lunchbox — the company continues to shape the future of the modern home.

The Fritaire Air Fryer, Fritaire Fizzle Soda Maker, and UVI Plus Self-Heating Lunch Box are now available online in Costco and will be available in stores in early 2026.
