When it came time to select this year's recipient, Contractor 2.0 Inc. stood out as a reliable company in the home renovations industry. Known for its skilled, detailed, and friendly team, Contractor 2.0 Inc. has earned a strong reputation within the Fairfield community, with glowing reviews from many satisfied clients. Below are just a few of the many positive testimonials from clients who were highly impressed by Contractor 2.0 Inc.'s communication and exceptional service:

"We hired Esteban/Contractor 2.0 to manage our major home renovation project (kitchen, painting, flooring, and two bathrooms) and we were very happy with the results. Esteban and his crews were professional and courteous and they worked hard to get the jobs done in a timely manner. The results were incredible and we have Esteban and his crews (especially Edison) to thank for doing such a great job. We would highly recommend Esteban/Contractor 2.0 to anyone who has a renovation project, big or small. The service was great, everyone was responsive when we had questions, and they did everything we asked of them. Great job!! Many thanks Esteban."

"I recently hired Contractor 2.0 for a garage conversion, and I was pleased with the results. Here are my thoughts on the overall experience:

1. Quality of Work: The craftsmanship was commendable. The finished space turned out well, and the details were executed as discussed.
 2. Communication: Contractor 2.0 maintained consistent communication throughout the project, ensuring I was informed about progress and any decisions that needed to be made.
 3. Timeliness: The project was completed within the estimated timeframe, which I appreciated.
 4. Cost: The final cost was in line with the initial estimate provided, with no unexpected charges after the project began.
 5. Professionalism: The team was professional and respectful of my property, leaving the work area clean at the end of each day.
 6. Problem-Solving: There were a few minor challenges during the conversion, but Contractor 2.0 addressed them effectively and offered solutions without delay.
- Overall Experience: I had a positive experience with Contractor 2.0 and would consider hiring them again for future projects."

"Wonderful experience working with this group. When the grout color was incorrect, they reached out to the supplier to correct it and ensured everything was done the right way. They absolutely do not cut corners and their craftsmanship shows. Would use them again and have

recommended them to family. Very good communication with us, respectful of our property. Highly recommend!"

"We recently completed a project that included a kitchen remodel, changing carpet to LVP flooring, and remodeling our first-floor bathroom. From start to finish, the experience was excellent. Neiro and Estaban showed great communication throughout the entire process, keeping us updated and making sure all our questions were answered.

Their customer service stood out—they were patient, accommodating, and really took the time to understand what we wanted. We never felt rushed or pressured, and they worked with us to make adjustments along the way.

Most importantly, we're very happy with the results. Everything turned out just as we hoped, and the quality of the work speaks for itself. We wouldn't hesitate to recommend Neiro and Estaban to anyone considering a home project."

The Contractor 2.0 Inc. team consistently goes above and beyond to ensure outstanding project results for every client.

The Quality Business Awards honor businesses that achieve an average quality score of 95% or higher over the previous year. To qualify, a business must receive outstanding customer reviews across at least three different platforms. Companies with excellent reputations and consistent track records over multiple years, along with minimal complaints, are awarded high scores. Additionally, businesses that actively engage with and respond to customer feedback are highly regarded. Other key criteria include a commitment to integrity, community involvement, and proactive measures to reduce environmental impact. Earning a Quality Business Award reflects a dedication to providing top-tier products and exceptional customer service.
