

IBA Group Launches Azure Data Lakehouse & Analytics Service on Microsoft Marketplace

IBA Group announces the Azure Data Lakehouse & Analytics service on the Microsoft commercial marketplace

PRAGUE, CZECH REPUBLIC, December 3, 2025 /EINPresswire.com/ -- [IBA Group](#) announces that its Azure Data Lakehouse & Analytics service is available on [the Microsoft commercial marketplace](#). This certified offering provides businesses with a proven framework and expert implementation to deploy a modern data estate on Microsoft Azure within a 60-day timeline.

Built on Azure's core services, the Azure Data Lakehouse & Analytics is a comprehensive solution that covers the following areas.

“

IBA Group's Azure Data Lakehouse & Analytics service packages our deep Azure expertise into an outcome-driven engagement.”

*Yauhen Dudnitski, IT Services
& Solutions Consultant, IBA
Group*

- Data ingestion
- Data storage
- Data processing
- Advanced analytics
- Business intelligence
- Governance
- Security

As a result, organizations can transition from legacy data warehouses or disjointed data silos to a cost-efficient and powerful lakehouse architecture.

Yauhen Dudnitski, IT Services & Solutions Consultant at IBA Group, says, “Enterprises are under constant pressure to become more agile and data-driven. However, building a modern data platform from scratch is a daunting, time-intensive project. IBA Group's Azure Data Lakehouse & Analytics service packages our deep Azure expertise into an outcome-driven engagement. We provide the architectural blueprint, certified engineers, and proven methodologies to get clients from vision to value in just two months.”

For clients that engage with IBA Group, outcomes are the following.

- The migration of a legacy data warehouse to a scalable Azure Pay-As-You-Go model
- Deployment of company-wide KPI dashboards with secure access
- Establishment of near real-time analytics for operations
- A modern data governance setup with full lineage

The Azure Data Lakehouse & Analytics service is available now for purchase and consultation directly through the Microsoft Marketplace.
