

KCB Credit and Elphi Partner to Enhance Credit Data Access for Mortgage Lenders

Empowering mortgage lenders with faster, integrated access to KCB Credit reports through Elphi's next-generation platform.

NEW YORK, NY, UNITED STATES, December 3, 2025 /EINPresswire.com/ -- [KCB Credit](#), a trusted provider of credit reporting services, and [Elphi](#), a fintech SaaS company offering a next-generation mortgage loan origination platform, have partnered to provide mortgage lenders with faster, more efficient access to credit data.

KCB Credit - Elphi Partnership

The new integration enables Elphi users to order KCB Credit reports directly through the platform. By embedding KCB Credit's solutions into Elphi's workflows, lenders eliminate redundant processes, accelerate loan decisions, and improve borrower experience.

KCB Credit's Integration with Elphi has helped our customers close more loans with less manual work. Elphi's platform helps mortgage companies make every process of the loan simpler and faster!"

Travis Fawcett, CEO at KCB Credit

"We are thrilled to integrate KCB Credit's services into Elphi," said Daniel Gottesmann, COO of Elphi. "This partnership streamlines credit report access for lenders, helping them operate more efficiently and deliver a smoother experience to borrowers."
