

# ARH Global Advisors Introduces AI & Legal-Tech Strategy Advisory for Law Firms and Professional Services Nationwide

*ARH Global Advisors Introduces AI & Legal-Tech Strategy Advisory for Law Firms and Professional Services Nationwide*

MANHATTAN, NY, UNITED STATES, December 3, 2025 /EINPresswire.com/ -- ARH Global Advisors LLC has expanded its national advisory capabilities with a dedicated AI & Legal-Tech Strategy Division supporting [law firms](#), professional service organizations, and high-growth businesses seeking compliant, efficient, and tech-enabled operations.

The division is led by Alejandro R. Hernandez, Esq., whose background includes decades of legal practice, law-firm management, business [consulting](#), and advanced AI integration for professional-service workflows.

This strategic advisory program addresses:

- AI policy design for law firms
- Intake automation and workflow optimization
- Compliance with emerging New York AI rules
- Ethical use of artificial intelligence in legal practice
- Productivity systems for small and mid-sized firms
- Automation of paralegal, intake, and administrative processes
- Business development systems powered by AI

"Professional service firms are navigating new expectations around AI compliance, workflow

Alejandro R. Hernandez Esq.

efficiency, and client experience,” said Hernandez. “Our advisory model helps firms integrate technology with the discipline and guardrails required in regulated environments.”

ARH Global Advisors provides AI implementation roadmaps, policy drafting, operational system design, and training for law firms, accountants, [real estate](#) professionals, and executives nationwide.
