*Weekend volunteer effort reached over 80 people in need*

OCALA, FL, UNITED STATES, December 9, 2025 /EINPresswire.com/ -- [Jack Rabbit](#) Air, Plumbing and Electric, gave back to the Ocala community by hosting a food and clothing drive for over 80

unhoused individuals and others in need. The event, held over Thanksgiving weekend at 1 Downtown Square, provided hot meals, winter clothing, and hygiene essentials to community members experiencing hardship.

“

This event reflects our belief that businesses have a responsibility to give back to the communities they serve and make a meaningful difference in people's lives.

The event exceeded expectations with all prepared food distributed within just 2.5 hours. Eight volunteers, including four Jack Rabbit employees who donated their Sunday afternoon on Thanksgiving weekend, worked together to serve a hot meal with turkey, beans and rice, to attendees while distributing winter coats, hats, pants, and

bathing essentials.

"The response from the community was overwhelming and deeply moving," said Rob Chism, Jack Rabbit. "Many recipients returned for seconds and expressed their gratitude with tears in their eyes. Though we're relatively new to Ocala, we're committed to supporting our most vulnerable neighbors, especially during these cold winter months."

The team of volunteers set up multiple tables and a tent in Downtown Square, creating a welcoming environment where community members could receive both nourishment and necessary supplies to survive winter.

"This event reflects our belief that businesses have a responsibility to give back to the communities they serve," said Chism. "We're so proud of the dedication [our team members](#) showed by volunteering their time to make a meaningful difference in people's lives."
