*Chu Chieh Liang's Holiday Home Design, Port, Recognized for Excellence in Interior Space and Exhibition Design by the A' Design Award and Competition*

COMO, CO, ITALY, December 10, 2025 /EINPresswire.com/ -- The A' [Design Award](#) and Competition, a highly respected recognition in the field of [interior](#) design, has announced [Chu Chieh Liang](#)'s work, Port, as a Silver Award winner in the Interior Space and Exhibition Design category. This prestigious accolade highlights the significance of Port within the interior design industry, celebrating its outstanding design qualities and innovative approach.

Port's recognition by the A' Interior Space, Retail and Exhibition Design Award underscores its relevance to current trends and needs within the interior design sector. The design aligns with industry standards and practices while offering practical benefits for users, such as enhanced functionality, improved aesthetics, and innovative solutions. This award serves as a testament to Port's potential to inspire and influence future interior design projects.

Port distinguishes itself through its unique features and thoughtful design elements. Drawing inspiration from its maritime surroundings, the residence incorporates a neutral palette and softened structural lines, creating a seamless connection between the interior and the stunning views of Kaohsiung Port. The design optimizes space usage, adapts to the needs of a family of four, and employs innovative engineering methods to enhance both functionality and aesthetics.
