

Ames Federal Achieves CMMC Level 2 Certification

BURNSVILLE, MN, UNITED STATES, March 24, 2026 /EINPresswire.com/ -- [Ames Federal](#) Contracting Group, LLC, a subsidiary of [Ames Construction](#), has achieved Cybersecurity Maturity Model Certification (CMMC) Level 2.

CMMC Level 2 certification validates Ames Federal's ability to protect Controlled Unclassified Information (CUI) and securely support federal and Department of Defense-related projects requiring enhanced cybersecurity controls.

CMMC Level 2 Certified - C3PAO - The Cyber AB Accreditation Body - Wise Technical Innovations

“Achieving CMMC Level 2 reflects the operational discipline required to protect sensitive federal information and support secure project delivery,” said [Brandon Evans](#), Senior Vice President, Ames Federal.

To earn certification, Ames Federal was independently assessed and validated against the 110 security requirements aligned with the National Institute of Standards and Technology (NIST) SP 800-171 framework. The certification reflects coordinated efforts across Ames Federal and cybersecurity teams to strengthen systems, enhance internal processes, and reinforce workforce training.

“

Achieving CMMC Level 2 reflects the operational discipline required to protect sensitive federal information and support secure project delivery”

Brandon Evans

With CMMC Level 2 certification, Ames Federal remains positioned to pursue and execute federal projects requiring enhanced cybersecurity standards.
