FORT MYERS, FL -- Title Junction is celebrating the one-year employment anniversary of their Social Media Coordinator, Susan Ferri. Although she began working for the Florida title agency only one year ago Ferri has made contributions that have raised the profile of the company's title, escrow and notary services in many ways.

Susan Ferri is responsible for all of Title Junction's social media activity and much of the company's marketing efforts. Ferri promotes the company on Twitter, LinkedIn, Active Rain and Google+. She assists in writing blogs for Title Junction and is instrumental in drafting the agency's newsletters. At any given time, Ferri can be found interacting with customers, sharing local events and happenings and reaching out the community in every possible manner.

"Susan is our social butterfly. She is always interested in what's going on in the community, in the office and in the industry so she was a natural fit for the Social Media Coordinator position. She has proven to be really good at it! Not only has she helped us raise our social media profile, she's a whiz at computer dynamics which has helped us streamline some internal processes," noted [Jennifer Ferri](#), Owner of Title Junction (www.title-junction.com).

Jennifer Ferri started Title Junction over seven years ago as a full-service real estate title agency. The company can provide a Cape Coral title insurance quote for buyers of residential or commercial real estate. In addition to providing title insurance the agency facilitates closings throughout the State of Florida and assists international real estate investors in meeting their FIRTA filing requirements. Title Junction is fully-equipped to act as an escrow agent and provide notary services. The agency works with realtor-assisted transactions, for sale by owner transactions, short sales and foreclosures.
