*Easystart Homes, a leading provider of beautiful and affordable housing in Perth, presents "The Easy Solution" promotion.*

PERTH, WA, AUSTRALIA, February 3, 2014 /EINPresswire.com/ -- [Easystart Homes](http://EasystartHomes.com) understands that purchasing a home can be a complicated and intimidating process, especially for the first time home buyer in Perth. With that in mind they've launched a new promotion that offers buyers attractive financing options on their wide selection of house and land packages in Perth that only require a \$3,000 deposit.

To take advantage of the Easystart Homes "The Easy Solution" program, buyers simply provide a mere \$3,000 deposit on home & land packages of up to \$300,000. Easystart Homes can then assist in obtaining up to an additional \$10,000 of financial assistance in the form of a First Home Owners Grant (FHOG) and arranging for additional financing.

Trying to come up with the standard 20% home deposit can be a real struggle for many families, so this program was designed to allow easier access to the home buying process.”
