

Aragon Research Announces Part II of its 2014 Hot Vendor Report

Aragon Research published Part II of its 2014 Hot Vendors. It highlights eight technology providers in Mobile and Content Management.

PALO ALTO, CA, USA, June 30, 2014 /EINPresswire.com/ --

Aragon Research, a technology focused research and advisory firm committed to providing thought leading strategic research and trusted advisory services, announced its [Hot Vendors](#) 2014, Part II Research Report today that highlights eight different vendors in two separate categories.

"The demand for [Content Management](#) and [Mobile](#) are two of the most sought after capabilities from our clients," said Jim Lundy, CEO and Lead Analyst at Aragon Research. Lundy continued, "Our 2014 Hot Vendors in Content Management and Mobile offer some compelling capabilities to evaluate."

The 2014 Hot Vendors Part II has four vendors each in Content Management and Mobile. These vendors are helping deliver better business outcomes through focused applications and solutions in their respective areas. For the full analysis of the eight hot vendors, read the Hot Vendor Special report for 2014 Part II.
