MiTA Myanmar Exhibitions and Conferences are organized by MiTA (MiTA Services Pte Ltd, Singapore and MiTA Myanmar @ ISBC Co Ltd). MiTA Stands for Management, Innovation and Technology Application®; MiTA is your "Myanmar Market Partner".

MiTA is organizing expo with multiple themes because then the expo becomes more effective at present time in Myanmar because there will be better business matchmaking with Myanmar companies; the majority of the private companies in Myanmar are family-owned and they have multiple businesses and this also attracts more number of trade visitors, professionals and the general public to attend the exhibition.

"Our expo will have concurrent conference (which is value addition); conference participants need to buy delegate tickets if they want to join business-to-business networking sessions.

"In the conference, we have excellent speakers including ambassadors, senior government officials, lawyers, bankers, insurers and investors."
