Description:

Where is the largest and fastest growing market for computer peripheral and other devices? How does the market relate to the overall economy, demography and other similar markets? What forces will shape the market going forward? The computer peripheral and other devices global market report from the Business Research Company answers all these questions and many more.

The report covers market characteristics, size and growth, segmentation, regional and country breakdowns, competitive landscape, market shares, trends and strategies for this market. It traces the market's historic and forecast market growth by geography. It places the market within the context of the wider computer hardware market, and compares it with other markets.

- The market characteristics section of the report defines and explains the market.
- The market size section gives the market size (\$b) covering both the historic growth of the market and forecasting the future. Drivers and restraints looks at the external factors supporting and controlling the growth of the market.
- Market segmentations break down market into sub markets.
- The regional and country breakdowns section gives an analysis of the market in each geography and the size of the market by geography and compares their historic and forecast growth. It covers all the regions, key developed countries and major emerging markets. It draws comparisons with country populations and economies to understand the importance of the market by country and how this is changing.
- Competitive landscape gives a description of the competitive nature of the market, market shares, and a description of the leading companies. Key financial deals which have shaped the market in recent years are identified.
- The trends and strategies section highlights the likely future developments in the market and suggests approaches companies can take to exploit this.
- The computer peripheral and other devices market section of the report gives context. It compares the computer peripheral and other devices market with other segments of the computer hardware market by size and growth, historic and forecast. It analyses Expenditure Per Capita, Computer Peripheral And Other Devices Indicators Comparison.

Scope

Markets Covered: Input and output peripherals, computer terminals, computer accessories

Companies Mentioned: Dell, Hewlett-Packard, Cisco Systems, Juniper Networks, Lexmark International, Aruba Networks, Electronics For Imaging, Intermec, Emulex Corporation, Logitech, Zebra Technologies Corporation, 3d Systems Corporation

Countries: Brazil, China, France, Germany, India, Italy, Japan, Spain, Russia, UK, USA and Australia.

Regions: Asia-Pacific, Western Europe, Eastern Europe, North America, South America, Middle East And Africa

Time series: Five years historic and forecast.

Data: Ratios of market size and growth to related markets, GDP, Expenditure Per Capita, Computer Peripheral And Other Devices Indicators Comparison.

Data segmentations: country and regional historic and forecast data, market share of competitors, market segments.

Sourcing and Referencing: Data and analysis throughout the report is sourced using end notes.

Table of Content

[Computer Peripheral Equipment Devices](#) Market Characteristics;
Computer Peripheral Equipment Devices Market Size And Growth;
2.1. Historic Market Growth; 2.1.1. Drivers Of The Market; 2.1.2. Restraints On The Market; 2.2.
Forecast Market Growth; 2.2.1. Drivers Of The Market; 2.2.2. Restraints On The Market;
Pestle Analysis;
3.1. Political; 3.2. Economic; 3.3. Social; 3.4. Technological; 3.5. Legal; 3.6. Environmental;
Computer Peripheral Equipment Devices Market Customer Information;
