

# Nebraska Mesothelioma Victims Center Now Offers to Guide a Person in Nebraska With Mesothelioma to The Nation's Most Skilled Lawyers for Much Better Compensation Results

NEW YORK, NEW YORK, USA, November 3, 2017 /EINPresswire.com/ -- The Nebraska Mesothelioma Victims Center says, "Getting the news of a mesothelioma diagnosis can be devastating-the the what happens next can be even more confusing. We worry people with mesothelioma will unintentionally hire an Internet mesothelioma law firm that is little more than a marketing law firm with big Internet ads that resell the diagnosed person. What we are talking about is of great concern to us when we are talking people with mesothelioma in Nebraska.

"We are now urging a person in Nebraska with confirmed mesothelioma or their family members to call us at 800-714-0303 so at a minimum we can guide them past Internet mesothelioma ads and provide them direct access to some of the nation's most skilled, experienced and capable mesothelioma attorneys. These extraordinary attorneys typically produce the best mesothelioma compensation results for their clients."

As the Nebraska Mesothelioma Victims Center would like to discuss with a diagnosed person in Nebraska or their family members, “If you hire unqualified lawyers to work on a mesothelioma compensation claim the person with this rare cancer and their family could literally lose out on hundreds of thousands of dollars or more. Please don't let this happen to you-if you have mesothelioma in Nebraska.”

Individuals in the state of Nebraska with mesothelioma could have been exposed to asbestos while serving in the US Navy or while working at a power plant, as a plumber, welder,

machinist, mechanic, a boiler technician, as an auto repairman, as an electrician, or in the construction industry. In most cases, the exposure to asbestos took place in the 1950's, 1960's, 1970's or 1980's. Mesothelioma typically takes three to five decades to develop.
