*Analysts is an Exhibitor at the Value-Based Care Summit*

ATLANTA, GEORGIA, UNITED STATES, November 14, 2017 /EINPresswire.com/ -- Analysts, the outcome-based information technology and solution business of ACS, is excited to be a sponsor of and exhibitor at the Value-Based Care Summit from November 16 – 17, 2017. The Summit will be held at the Omni Parker House in Boston, Massachusetts.

The Value-Based Care Summit is the industry's leading event connecting more than 200 professionals from hospitals, physician practices, payers, and other healthcare stakeholders focused on the industry's successful transition from fee-for-service to a value-based reimbursement.

"Analysts has been working with our clients and partners to prepare them for the sea change coming to healthcare with value-based care models," said Chris Grenz, Analysts EIM Practice Director. "From analytics to interoperability, our experience across the spectrum of health IT allows us to help our clients achieve the best results for the health of their patients and their organizations."

Meet Chris and other members of the Analysts leadership team in the Summit Exhibit Hall from November 16 – 17, 2017, to learn more about how Analysts' solutions can benefit your organization.
