

NSIC & CRISIL Recognises TFTS's Above Average Financial Strength & High Performance Capability

Trendsetters Facilities & Technical Services (TFTS) has achieved NSIC- CRISIL Rating of "MSE 4"

NEW DELHI, DELHI, INDIA, November 21, 2017

[/EINPresswire.com/](http://EINPresswire.com/) -- Trendsetters Facilities & Technical Services (TFTS) is proud to share the certification from NSIC-CRISIL for achieving High-Performance Capability & Above Average Financial Strength, a rating of "MSE 4". CRISIL evaluates the degree of capability and stability of the finances generated by the business. The stability of cash flow is dependent on the capability of the business and the quality of the management of the business. While many factors feed into this rating, the company's strong capabilities to generate stable finances definitely helps achieve the high CRISIL rating.

Trendsetters Facilities & Technical Services (TFTS) is one of India's fastest growing manpower outsourcing services company for manufacturing, services and hospitality businesses. It is also one of the largest specialized staff and certified labour outsourcing partner to organizations located in northern India's top Special Economy Zone (SEZs).

CRISIL is India's first and largest rating agency for large companies and started into rating work as early as 1987. CRISIL is a global analytical company providing ratings, research, risks, and policy advisory services. They are pioneers in the concept of credit rating in India and have rated over 50,000 entities, by far the largest number in India.

The Indian Manpower & Specialised labour outsourcing displayed good growth rates over the past decade. Rating and certification defined by organization like CRISIL help in mapping stability and growth potential of SMEs in India. Entities with high ratings usually have a strong organisational structure, high-performance capability, and good financial strength.

In this competitive industry, Trendsetters Facilities & Technical Services (TFTS) has strictly upheld and believed that performance capability, financial strength along with customer satisfaction are top priorities.

Trendsetters Facilities & Technical Services (TFTS) is now in the process of further refining their initiatives and is making steady progress towards its next performance & financial improvement goals.

Acknowledging the recognition, Ms. Kanika Kohli, Vice President of Trendsetters Facilities & Technical Services (TFTS), said, "The industry standard recognition through NSIC-CRISIL's, reflects our commitment to provide top-notch manpower solutions that Indian businesses requires. Along with that the high MSE 4 rating proves our organisation's high operational capability and financial stability. We

are happy to have achieved both, the appraisal and the rating, and will continue to further improve our quality processes. This is just a beginning, we have a long way to go. And we shall continue.
