

Global Telecom Market Report 2017: Latest Trends, Forecasts and Market Analysis

Market Research Report on Global Telecom Market Report

RAIPUR, INDIA, November 24, 2017
/EINPresswire.com/ --

Report Sellers has added a new market research report "[Global Telecom Market Report 2017](#)" to its offerings. The report is an in-depth market study providing accurate market insights including the latest trends, forecast, competitive insights, etc.

Global Telecom Market Report 2017

Internet TV is gaining acceptance and being preferred by customers in the developed markets. The traditional pay-TV industry has been facing severe competition from online video streaming service providers. The low-cost video streaming service providers are threatening the pay-TV business model and forcing traditional pay-TV service providers to offer internet TV services to their subscribers. For example, DISH Network Corp. has launched the internet TV service Sling TV along with their pay-TV services.

Description

Where is the largest and fastest growing market for telecom? How does the market relate to the overall economy, demography and other similar markets? What forces will shape the market going forward? The telecom global market report from the Business Research Company answers all these questions and many more.
