

Cuomo & Dolan Still Silent on Combined Sexual Predator Cover-up Scheme

Day 3 of publicly exposing Gov. Andrew Cuomo and Cardinal Timothy Dolan's combined efforts to protect sexual predators & pedophiles and still deafening silence

ALBANY, NEW YORK, UNITED STATES, December 3, 2017 /EINPresswire.com/ --

The Jonathan Carey Foundation's extensive investigative work has uncovered wide-scale systemic sexual abuse of the disabled in residential care facilities and group homes and the wide-scale cover-ups. Almost all reported sexual assaults and rapes of people with disabilities are directly reported internally to [Governor Cuomo's](#) abuse hotline, not to 911, and they are covered-up. Both Governor Cuomo and [Cardinal Timothy Dolan](#) have full knowledge of these criminal activities and have tried to protect the institutions they lead, for years now, from public shame and massive payouts to these vulnerable sexual assault victims. When two powerful people work together in attempt to protect one another and the two powerful institutions that they lead in New York State, the rampant sexual abuse, rape and sodomy of

Enough is Enough Gov. Cuomo and Cardinal Dolan, bypassing 911 when rapes are committed against people with disabilities and protecting sexual predators and pedophiles are crimes

extremely vulnerable children and adults continues unchecked and the victims mount up like cord wood.

“

Governor Cuomo and Cardinal Dolan, powerful leaders in New York State, continue to fail to protect 1,000,000 New Yorkers with disabilities & choose to protect sexual predators, pedophiles and rapists.”

Michael Carey -Advocate for people with disabilities and their families

“My God, how many more thousands of reported sexual assaults and rapes must come into Governor Cuomo's abuse hotline and be covered-up before this evil is stopped? Everyone knows the vast majority of these heinous sex crimes will never be witnessed or ever reported. Everyone knows that people that are developmentally disabled, non-verbal or have autism are the perfect victims for sexual predators.” - Michael Carey

“New York State documents obtained through Freedom of Information Law (FOIL) dating back to 2005 reveal that the New York State OPWDD system has a culture of sexual

abuse, rape and cover-ups. Thousands of reported sex crimes committed against the disabled are never reported to local police or District Attorney's and are disappearing within the system that former Attorney General Cuomo and now Governor Cuomo has protected with a vengeance

[over-a-decade?n=2](#) . State data, as well as this well known study found on the State of Massachusetts website titled, Prevalence of Violence, <http://www.mass.gov/dppc/abuse-recognize/prevalence-of-violence.html> point to possibly one third of developmentally disabled residents within Governor Cuomo's OPWDD system being sexually assaulted annually. In the OPWDD system of 126,000 developmentally disabled children and adults, many of whom cannot speak to tell anyone anything, there are upwards of 43,000 victims of sexual assaults or rape every year. Try to wrap your mind around the staggering scope of what I am bringing to your attention." - Michael Carey

Today is day 3 that the Jonathan Carey Foundation is publicly exposing the combined efforts to conceal these crimes and cover-ups by Governor Andrew Cuomo and Cardinal Timothy Dolan, as well as the New York State government and the Catholic Church. Both Governor Cuomo and Cardinal Dolan have taken no significant steps or actions to stop or prevent these sex crimes or cover-ups since the New York Times award winning "Abused and Used" investigative reporting series <http://www.nytimes.com/interactive/nyregion/abused-and-used-series-page.html>. The very first investigative report of this massive exposé reveals just one of thousands of these horror stories happening every year, as well as, a look into how sexual predators are shuffled from group home to group home <http://www.nytimes.com/2011/03/13/nyregion/13homes.html>.

The exact same scheme used within the Catholic Church to jockey and shuffle pedophile priests from parish to parish is used by Governor Andrew Cuomo and his mental health agencies <https://www.youtube.com/watch?v=56jw6tasomc>.

The sexual assaults, rapes, acts of sodomy, and the cover-ups of most of these crimes continue because Governor Cuomo and Cardinal Dolan continue to look the other way. Behind closed doors and in the dark, countless sexual predators and [pedophiles](#) continue to rape and prey on the most vulnerable literally almost anytime they like. Most of these very sick and disturbed people, whom are criminals, continue to escape justice, escape firing and escape any sexual abuse registry to run wild and severely harm the disabled, but also, who knows how many other sexual assault victims in the general public? When leaders protect sexual predators, pedophiles and rapists, these leaders aid and abet them, allowing these sexual deviants to simply continue to do what they do. The Jonathan Carey Foundation is bringing these horrific heinous crimes and atrocities to light in hopes that most of this evil will ultimately be stopped.

For over ten years Attorney General Cuomo and then Governor Andrew Cuomo have protected countless sexual predators, pedophiles and rapists within State run and private mental health facilities

and group homes from firing and prosecution <http://www.einpresswire.com/article/414428414/cuomo-has-been-protecting-sexual-predators-for-over-a-decade?n=2> . For the last few years Cardinal Timothy Dolan has ignored many complaints and pleas for help for the disabled victims by leading advocate Michael Carey forcing him to finally expose Cardinal Dolan publicly <https://www.einpresswire.com/article/418825149/cardinal-timothy-dolan-s-silence-for-years-has-protected-cuomo-countless-sexual-predators-pedophiles> . The complaints to Cardinal Dolan were about rampant abuse of the disabled and cover-ups. The over a dozen complaints were also about Governor Cuomo and his actions and his in-actions that have allowed countless sexual assault victims throughout the New York State mental health care system to be raped or sodomized by known sexual predators. Michael Carey in these numerous written complaints asked Cardinal Dolan to intervene to protect the most vulnerable, but Cardinal Dolan instead chose to protect Governor Cuomo and the sexual predators, pedophiles and rapists. It reminds me of the award winning movie "Spotlight" that visually brought to light the most scandalous sex cover-up schemes ever <https://www.youtube.com/watch?v=56jw6tasomc> .

Numerous allegations of Governor Cuomo's direct involvement in the purposeful cover-ups of most of these horrific sex crimes have not been disputed by Governor Cuomo. Yesterdays National Press Release regarding Cardinal Dolan's involvement in protecting Governor Cuomo and countless sexual predators and pedophiles also has not been disputed by Cardinal Dolan <https://www.einpresswire.com/article/418825149/cardinal-timothy-dolan-s-silence-for-years-has-protected-cuomo-countless-sexual-predators-pedophiles>. The fact is they can attempt to try to dispute these allegations, deny, lie or spin their involvement, but the email and paper trail for years, speak volumes of truth.

The sex assault and rape victims within New York State's mental health system made up of thousands of extremely dangerous State and private facilities and group homes deserve justice and restitution for the crimes committed against them, just like the sexual assault victims of Catholic pedophile priests.

Remember these words spoken from a convicted pedophile of Governor Cuomo's system calling it "a predators dream."

The pedophile and former New York State employed caregiver that was eventually caught in a federal porn sting, called New York's system controlled by Governor Andrew Cuomo "a predator's dream"

<https://www.usatoday.com/story/news/crime/2017/02/20/predators-dream-ny-pays-3m-family-molested-boy/98154714/>

Here is the direct quote from this AP News story written by David Klepper;

"New York State is paying \$3 million to the family of developmentally disabled boy repeatedly molested by a staffer at a state-run group home who later wrote that lax supervision at the facility made it "a predator's dream."

Most sex crimes as well as many other crimes and deaths are easily covered-up internally because they are being directed to be called to Governor Cuomo's internal abuse hotline, instead of to 911. No longer can 911 call systems, local police and local courts be bypassed. 911 call systems must be immediately called by all mandated reporters regarding all sexual assaults and rapes, as well as obviously all other assault crimes, medical emergencies and deaths. Currently, under Governor Cuomo's directive, almost all sex assault and rapes of people with disabilities which are obviously crimes disappear internally, they are covered-up. This evil and these gross injustices must be stopped and the people involved in the greater crimes and criminal conspiracy to protecting sexual predators, pedophiles and rapists must be held accountable.
