About [Twinkies](#)

Twinkies are a type of confectionary made of sponge cake with cream filling. James Alexander Dewar

invented Twinkies, and the first Twinkie was produced with banana cream filling. Factors like chances of food contamination, government regulations, and the emergence of local brands might limit the growth of the market during the forecast period. The leading players in the market are focusing on mergers and partnerships, and strategizing to expand their market presence. Asia-Pacific (APAC) is expected to be the fastest-growing region in the global packaged food market owing to the growing awareness and increasing adoption of packaged foods.

Technavio's analysts forecast the global twinkies market to grow at a CAGR of 3.30% during the period 2017-2021.

Covered in this report

The report covers the present scenario and the growth prospects of the global twinkies market for 2017-2021. To calculate the market size, the report considers the sale of Twinkies to individual consumers.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA
