

India is set to Become Leading Manufacturing Hub for Fuel Dispensing Equipment in Asia Pacific Region

Latest Reports on Fuel Dispensing Equipments are now Available from MarketResearchReports.com for various geographies like Asia Pacific, Europe and America

LEWES, DELAWARE, DELAWARE, UNITED STATES, December 6, 2017 /EINPresswire.com/ -- Recent government initiatives like GST and 'Make In India' are already bearing fruit for domestic market. Global leader in fuelling solution - Dover Fuelling Solutions (DFS), delivers advanced fuel dispensing equipment, electronic systems and payment, fleet systems, automatic tank gauging and wet-stock management has opened a new manufacturing plant in Navi Mumbai. Dover seeks to expand their strategic partnerships with their customers by bringing cutting edge technology and solutions in the dispenser and automation systems space.

Policy changes like oil price deregulation, the withdrawal of marketing subsidies, a push for 'Make In India' and mobile payment has infused confidence in Global players to set up their base in India. Global energy companies like Shell, Total and BP already have large customer base in India, which provides huge opportunity for dispensing equipment companies.

Apart from India, in this report, future of Asia-Pacific Portable Fuel Dispensers market has been covered.

Geographically, this report split Asia-Pacific into several key Regions, with sales (K Units), revenue (Million USD), market share and growth rate of Portable Fuel Dispensers for these regions, from 2012 to 2022 (forecast), including

- China
- Japan
