Roofing Materials Market Size, Country Outlook, Growth Potential, Competitive Strategies And Forecasts 2017 To 2022

PUNE, MAHARASHTRA, INDIA, December 19, 2017 /EINPresswire.com/ -- [Roofing Materials Industry](#)

Description

global Roofing Materials Market is poised to grow at a CAGR of 6.4% over the forecast period 2015 to 2022. Growing population and increasing urbanization are the key factors driving the market growth. The complex work environment and absence of job security are factors that hamper the roofing materials market. One of the key challenges in the market is scarcity of skilled workers for installation.

In terms of both revenue and volume the tiles market will remain the biggest segment. The Asia Pacific region is anticipated to be the leading region in the global roofing materials market by 2022. Asia Pacific witnessed the maximum demand for roofing, accounting for more than 30% of the global market in 2015. The market for roofing in Asia Pacific is attaining much grip from the growing investment for infrastructural development in industrial, commercial, as well as healthcare sectors.
