

Our Corrupt Politicians are Doing what Germany and Japan Couldn't do...they are Destroying the "UNION" founded in 1776.

Corrupt Politicians are destroying the "UNION" by allowing an invasion of criminals and terrorist, causing death and suffering to millions of "We the People!"

LOS ANGELES, CA, UNITED STATES, January 30, 2018 /EINPresswire.com/ -- This reporter unequivocally states, being a descendant of legal immigrants, his favor of quality immigration. This nation was founded by "legal" immigrants beginning in 1600. Most Americans are in favor of legal immigrants who will contribute to the peace, tranquility, the general welfare and prosperity of the UNION. But, they're intensely against an invasion of this country by a band of illegal criminals and terrorists that are savaging the populace. MS 13 comes to mind as the most vicious group of illegal immigrants that have been permitted to invade our country to wreak criminal havoc on the American populace. Why can't our Government seek non-criminal immigrants, that will contribute to the peace, tranquility, the general welfare and prosperity of the UNION? It only takes a small number of criminals/terrorist to create mass carnage and destruction.

Declaration of Independence

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, and provide for the general Welfare, do ordain and establish this Constitution for the United States of America.

“

We must fix our broken immigration system. That means stopping illegal immigration. And it means welcoming properly vetted legal immigrants, regardless of their race or religion.”

Nikki Haley UN Representative for US

Question for our readers. If a nation state would suddenly appear on our borders with ships, and or an army, and organized a mass invasion of criminals/terrorists to flood into our country; with the intent to kill, rape, rob and pillage the populace, what do you think the response should be from our Government? Do you think the Congress and President would declare war on that nation state, stop the invasion and the killing, round up the criminal invaders and either deport or imprison them?

However, what is unimaginable is that our corrupt politicians have taken place of the enemy nation state and are permitting this criminal invasion. There have been far more Americans

killed by these invading criminals than by ISIS. It's time for the President to order the Armed forces to wage war on the army of criminals/terrorists in the homeland, and order them to stop the carnage being committed against "We the People."

The "barbarians" didn't break through our gates, they were permitted to freely enter, by our corrupt politicians, to pillage the populace. The Army and Marines should immediately be deployed to our borders with instructions to immediately stop the criminal invasion. Another division should be deployed throughout the nation with instruction to round up every criminal invader and arrest them and get them out of our country. This may sound like a drastic measure, but no less than going to war with Germany and Japan in the 1940's to defeat their criminal invasions.

Below are some sobering facts. The following is from a report written by Ron Martinelli on April 19, 2017 and printed on thehill.com. You can read the full article at:

<http://thehill.com/blogs/pundits-blog/crime/329589-the-truth-about-crime-illegal-immigrants-and-sanctuary-cities>

"Illegal immigrants clearly commit a level of violent and drug related crimes disproportionate to their population."

"The U.S. Department of Justice and the U.S. Sentencing Commission reported that as of 2014, illegal immigrants were convicted and sentenced for over 13 percent of all crimes committed in the U.S."

"According to the FBI, 67,642 murders were committed in the U.S. from 2005 through 2008, and 115,717 from 2003 through 2009. The General Accounting Office documents that criminal immigrants committed 25,064 of these murders."

"To extrapolate out these statistics, this means that a population of just over 3.5 percent residing in the U.S. unlawfully committed 22 percent to 37 percent of all murders in the nation. This is astounding."

"Recent crime analysis by both the Department of Homeland Security (DHS) and Texas law enforcement authorities indicate that between June 2011 and March 2017, over 217,000 criminal immigrants were arrested and booked into Texas jails."

Nikki Haley UN Representative for US

President Abraham Lincoln

"This country, with its institutions, belongs to the people who inhabit it. Whenever they shall grow weary of the existing government, they can exercise their constitutional right of amending it, or their revolutionary right to dismember it or overthrow it."

"In researching the criminal careers of these defendants, it was revealed that they had jointly committed over nearly 600,000 criminal offenses. Their arrests included nearly 1,200 homicides; almost 69,000 assaults; 16,854 burglaries; 700 kidnappings; nearly 6,200 sexual assaults; 69,000 drug offenses; 8,700 weapons violations; over 3,800 robberies and over 45,000 obstructing police charges. In determining the status of these offenders in the U.S., it was confirmed by DHS that over 173,000 or 66 percent of these immigrant criminal defendants were in our country illegally at the times of their arrests."

The above facts are shocking and you won't see them reported on by the Fake News Media

The following was posted on FaceBook recently.

"My grandparents were "legal immigrants" ...this is not how it worked time to fix it"...

11. 43% of all FOOD Stamps are Given to Illegals immigrants
2. 95% of arrest Warrants issued for Murder in Los Angeles are for illegal immigrants.
3. Less that 2% of illegals immigrants are picking crops. 41% are on Welfare.
4. More that 66% of ALL births in California are to illegal immigrants on Welfare.
5. 60% of all HUD occupied properties in the US are illegal immigrants.
6. 39% of All California Students are illegal immigrants,
7. 75% of Los Angeles Most Wanted Criminals are Illegal immigrants.
8. 50% of all Gang Members are illegal immigrants.
9. Not only are US Taxpayers Footing the Bill for all of the above, they are also getting murdered, rapped, robbed by criminal invaders.

To add insult to injury, these criminal invaders are supported by the Government in the form of getting billions in benefits paid to support their carnage. This is the worse from of criminal insanity on the part of our corrupt politicians!

To make matters worse, numerous cities, and even states, supported by corrupt politicians, have established sanctuaries cities to protect these criminal invaders from arrest and deportation. The political leaders, by their actions, are complicit in this carnage and should be criminally prosecuted as accomplices to murder, rape and robbery against "We the People". If found guilty they should be incarcerated for their crimes.

It's obvious, "We the People are outrage by this insanity and carnage against the populace!"

"We the People" think it's time for the President to declare a State of Emergency and take all necessary "ACTION" TO STOP THIS CRIMINAL CARNAGE. Let your political representatives, and the President, hear your voice. Tell them you want this criminal invasion causing death, destruction and suffering to millions of "We the People", over the years, to end now!
