

Reading Orthodontist Is Dedicated to High-Quality, Affordable Care

Berks County orthodontist offers both Invisalign and braces in Reading for one low price.

READING, PENNSYLVANIA, UNITED STATES, February 13, 2018 /EINPresswire.com/ -- Many parents worry about the cost of braces for their child. However, one team of Reading orthodontists is dedicated to providing high-quality and affordable orthodontic care in Berks County.

For both teens and adults, [braces in Reading](#) are available from Exeter Orthodontics for only \$3,995. This low cost is all-inclusive and comprises the cost of x-rays, retainers, repairs, and more. There are no hidden fees parents have to worry about, which isn't always the case at other Berks County orthodontists.

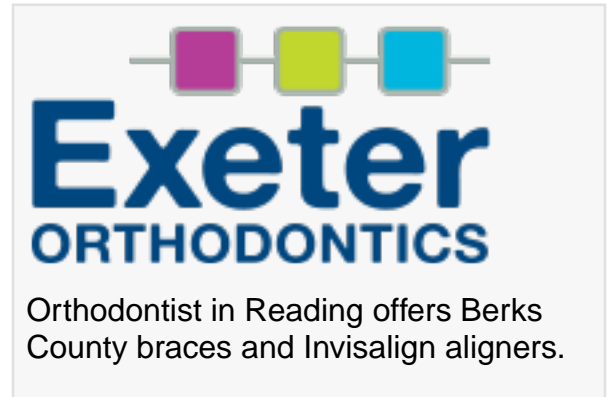

"We discovered that too many individuals were going without the dental care they needed because they couldn't afford its high prices," Dr. Soraya Mills, [orthodontist in Reading](#), says of Exeter Ortho's beginnings. "We're striving to change that."

In addition to affordable braces, Exeter Orthodontics also offers [Invisalign in Reading](#) for only \$3,995. Invisalign is a convenient and comfortable alternative to traditional braces. The team of Berks County orthodontists will walk patients through their options and help them decide on a treatment best for their health.

To learn more about the affordable braces available in Berks County, request an appointment with Exeter Orthodontics today: <http://www.exeterorthodontics.com/request-appointment/>.
