Our market research analysts have estimated that this market will grow steadily at a CAGR of about 10% by 2022.

Segmentation by end-user and analysis of the alcohol prep pads market

- Hospitals and clinics
- ASC

The hospitals and clinics segment accounted for the major share of this alcohol wipes market during 2017. Hospitals and clinics are large facilities and own significant financial backing to procure these products in bulk and our analysts have predicted that during the forecast period, the alcohol prep pads market will continue to grow steadily in this end-user segment owing to the increased adoption of these products in hospitals and clinics across the world.

Geographical segmentation and analysis of the alcohol prep pads market

- Americas

- APAC
- EMEA

The Americas accounted for the maximum share of the alcohol prep pads market during 2017. Our analysts have predicted that market will witness steady growth in the Americas during the next five years and this will attribute to the increasing number of diagnostic centers and medical facilities in this region.
