

ComforceHealth to exhibit at ILHIMA/MOHIMA

The event's theme is "Health Information Superheroes Meet at the Gateway."

DULUTH, GEORGIA, UNITED STATES, April 11, 2018 /EINPresswire.com/ -- ComforceHealth, part of the ACS Group, provides audit, coding and business services to hospitals and health care systems throughout the United States, will be an exhibitor of the 2018 ILHIMA/MOHIMA joint annual conference from April 11-13. The event's theme is "Health Information Superheroes Meet at the Gateway" and will be held at the St. Charles Convention Center in St. Charles, Missouri.

This year the Illinois and Missouri Health Information Management Associations are joining forces in a strategic planning meeting to determine what initiatives will be considered necessary to continue the current year's work and integrate newly identified initiatives into the board structure.

Both organizations are member run, and have a commitment to fostering the professional development of members through education and lifelong learning. The conference will highlight quality health information for the benefit of the public, health care consumers, providers and other uses of clinical data.

ComforceHealth is an active participant in regional and national health information management events, and is dedicated to helping hospitals, IDN's and Physician Groups maximize their financial health.

From learning about the multi-generation workforce to the opioid epidemic to social media's integration into health care services and much more, this year's conference is sure to have a meaningful and long-lasting impression.
