Author Shares Inspiration for Writing 'Worship Songs and Hymns'

SAN ANTONIO, TX, UNITED STATES, April 19, 2018 /EINPresswire.com/ -- "Faith rests on God's power and not on men's wisdom", summarizes the belief of an author who was born in the state of Texas. [Arthur Christopher Gorham](#) expresses of his faith to God and of his passion for writing in a hymnal entitled, '[Worship Songs and Hymns](#) for The Modern Christian Church'. A 224-page worship song hymnal which consists of 100 original modern songs, written in traditional church form.

At a very young age, Gorham was encouraged by his parents to learn about music. His knowledge in singing was honed as he was making his way up to various music genres. His father became his personal trainer who encouraged him to pursue music and its rewards. Gorham shares that his calling for music was always Jesus Christ's calling in his life. Biblical and Doctrinal studies played a major role in his music writing skills and broadened his vision for writing songs about God's love, mercy and hope for all people, in Christ Jesus.

His book entitled, 'Worship Songs and Hymns for The Modern Christian Church', is a hymnal written for people who seek a message of devotion back to God. It describes God's authority, power, glory, mercy, and love to the world. The eternal life that Jesus Christ had promised, is conveyed on the pages of the book. He believes the songs which are Spiritually inspired, emphasize how God can renew people's relationship and hope in Christ.

The important message that Arthur Christopher Gorham would like to convey to the readers, is that there is absolute freedom of joy in God's love, and in God's presence, and in God's worship. And that the power of singing and worship of God's mighty promises in Christ Jesus, can make a major spiritual difference in the believer's life and listening audience.

100 melodies of the songs written in his book can be found in his online YouTube channel, 'Worship Songs and Hymns by Arthur Christopher Gorham'.
