

# Church Security Awareness on the Rise

## *Building a Strong Foundation*

CHARLOTTE, NC, UNITED STATES, May 18, 2018 /EINPresswire.com/ -- In the past few years church safety and security has been a growing issues in churches across America. Many of the issues churches face today were unthinkable 20 years ago.

In order to meet the growing demand for information on this topic, Cool Solutions Group announces the release of a new e-Book series entitled "A Measured Approach to Church Security". This series has 4 separate eBooks:

- Part 1: Church Security – Preparing for the Process
- Part 2: Church Security – Laying a Firm Foundation
- Part 3: Church Security – Building Upon the Foundation
- Part 4: Church Security – Supported by a Firm Foundation

This series is designed to introduce church leaders to the concepts that allow them to begin building the best program for their church. There are many references provided in these eBooks, some to articles and some to service providers. Take the time to dig deep and begin building and training on a safety and security program that can accomplish your objectives. Developing your response during the storm is the opposite of intentional planning.

[Download this FREE series](#) today, and encourage others to do the same. Develop the plan that is right for you and your church culture. We are here to help.

We don't rise to the level of our expectations; we fall to the level of our training."
