

# SourceHorizon MFG & Roush Yates Manufacturing Solutions Announce Partnership

*Roush Yates Manufacturing Solutions (RYMS) joins SourceHorizon MFG's Advanced Manufacturing Supplier Network and will provide machining and assembly services.*

GRAHAM, NORTH CAROLINA, UNITED STATES, June 11, 2018

/EINPresswire.com/ -- SourceHorizon MFG announced today that Roush Yates Manufacturing Solutions (RYMS) has joined its Advanced Manufacturing Supplier Network which consists of [highly capable industry-leading machining and fabrication companies](#).

SourceHorizon will promote RYMS to a broad audience of industrial buyers and engineers. RYMS is in the third year of operating under the AS9100 quality management system and proud to announce obtaining the new AS9100 Rev D level of quality management. RYMS provides [CNC machining](#), [build-to-print](#), and assembly services supported by a premier AS9100 Rev D quality assurance department to a wide range of industries including the aerospace, automotive, defense and industrial sectors. RYMS is also ITAR compliant and DLA registered.

Advanced Manufacturing Network

“

We are known for delivering premium parts to our customers where failure is not an option.”

*Bob Ucman, VP of Manufacturing - RYMS*

“We're honored to work with and promote Roush Yates Manufacturing Solutions,” said Perry Gathings, SourceHorizon’s Director of Business Development. “Roush Yates is an industry leader with a terrific vision for the future. What’s more, they have the equipment, capacity, and expertise that manufacturing buyers want. I’m confident SourceHorizon can help them reach, engage and convert those buyers into long-term, mutually beneficial relationships. We’re looking forward to helping Roush Yates turn their vision

into reality.”

“We are known for delivering premium parts to our customers where failure is not an option,” said Bob Ucman, Roush Yates Manufacturing Solutions VP of Manufacturing. “Our manufacturing facility leverages some of the best manufacturing engineering experts in the industry and our advanced

manufacturing capabilities are top-of-the-line. Our desire at RYMS is to expand our services to a broadened industry network. The expert team at SourceHorizon can assist us in this endeavor. The proof is in their results and we look forward to working with them."

#### About Roush Yates Manufacturing Solutions

Roush Yates Manufacturing Solutions is a division of the legendary Roush Yates Engines organization, the exclusive provider of NASCAR and Road Race engines to Ford Motor Company. Roush Yates Manufacturing Solutions is a world-class manufacturing center and ISO 9001/AS9100 Rev D certified facility in Mooresville, NC. The company's core business is designing and manufacturing premium CNC machined parts with expertise in multi-axis machining of metal and plastic parts with complex geometries.

RYMS produces machined parts for the automotive, aerospace, military and industrial industries. Our manufacturing and quality management systems are dedicated to exceeding our customer's expectations through the continuous improvement of our processes, procedures, and use of state-of-the-art technologies. We pride ourselves on our CNC machining capabilities and design-and-build and build-to-print services. Delivering exactly what our customers order.
