

Louisiana Mesothelioma Victims Center Now Urges Oil Refinery Workers with Mesothelioma in Louisiana to Call About Getting an "Attorney Upgrade" For a Much Better Client Financial Settlement Result

NEW YORK, NEW YORK, USA, July 11, 2018

[/EINPresswire.com/](http://EINPresswire.com/) -- The Louisiana

Mesothelioma Victims Center says, "We specialize in assisting oil refinery or power plant workers who have been diagnosed with mesothelioma receive the very best financial compensation. We are advocates for people with mesothelioma and the attorneys we suggest are some of the nation's leading lawyers for financial compensation for this asbestos exposure cancer. As we would like to explain anytime at 800-714-0303 the attorneys we suggest do not get paid unless there has been a financial compensation settlement.

Up until recently, there had not been an oil refinery built in the US for roughly 30 years. Existing older plants possibly still have asbestos at the refinery. Prior to 1980, many oil refinery workers would have been exposed to asbestos constantly- especially if they were a plumber, electrician, fitter, insulator, or part of a maintenance or construction crew.

The group says, "If we had just one vital compensation tip for an oil refinery or oil/gas production worker with mesothelioma in Louisiana it would be this: call us at 800-714-0303 and take us up on our offer to upgrade you to one of the nation's most skilled and capable mesothelioma attorneys. These incredibly experienced mesothelioma attorneys will produce a much better compensation settlement result for you or your family member as we would like to discuss."

<http://Louisiana.MesotheliomaVictimsCenter.Com>

"Mesothelioma compensation claims for oil refinery or oil production workers can frequently exceed one million dollars provided the diagnosed person has the nation's most skilled mesothelioma attorneys working on their financial compensation claim. If you have mesothelioma in Louisiana please call us anytime at 800-714-0303." <http://Louisiana.MesotheliomaVictimsCenter.Com>

Top Locations for oil refineries in Louisiana include:

- * Baton Rouge
- * Chalmette
- * Lake Charles
- * Garyville
- * Shreveport
- * Convent
- * Belle Chasse
- * Meraux

For more information about recent construction of oil refineries in the US, please refer to the US Energy Information Administration's website: <https://www.eia.gov/tools/faqs/faq.cfm?id=29&t=6>

The Louisiana Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Louisiana including communities such as New Orleans, Baton Rouge, Shreveport, Lafayette, Lake Charles, Kenner, Bossier City, Monroe.

When it comes to treatment options for mesothelioma in Louisiana the Louisiana Mesothelioma Victims Center strongly encourages diagnosed victims to contact the following cancer treatment centers in Louisiana, and in Texas. Note: The MD Anderson Cancer Center in Houston, Texas may be one of the most capable mesothelioma treatment centers in the world: Oshner Cancer Institute New Orleans; <http://www.louisianacancercenter.org/research/partners/ochsner/>, The MD Anderson Cancer Center Houston, Texas: <https://www.mdanderson.org/>

High-risk work groups for exposure to asbestos in Louisiana include Veterans of the US Navy, power plant workers, shipyard workers, oil refinery workers, chemical plant workers, public utility workers, factory workers, plumbers, electricians, insulators, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://Louisiana.MesotheliomaVictimsCenter.Com>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

Mesothelioma compensation claims for oil refinery or oil production workers can frequently exceed one million dollars provided the diagnosed person has the nation's most skilled mesothelioma attorneys”
