

Winners Announced at the Largest English Language Competition in Italy

The 2018 Wing4students competition concludes with an awards ceremony in Genoa

GENOA, ITALY, June 22, 2018 /EINPresswire.com/ -- The 4th annual Wing4students competition came to an end on Friday, June 1, 2018, with an exciting award ceremony held at Liguria Digitale at the Erzelli Science and Technology Park in Genoa, Italy. The Wing4students competition is open to all Italian university students or new graduates under the age of 28.

In preparation for the competition, participants took DynEd's Placement Test during the months of December 2017 and January 2018. The official kick-off was February 1st and continued through April 30th.

This competition was an energizing and rewarding experience for all English language learners involved. The event was organized by Easy, DynEd Europe's authorized training partner in Italy, sponsored by the Unipol Group, and under the patronage of the Municipality of Genoa.

After completing the Placement Test, participants studied English using DynEd's innovative accelerated learning solutions. After 3 months of study, winners were judged based on their improved English skills and accelerated learning progress. Focus is placed on improving the learning practice as measured scientifically by DynEd's advanced artificial intelligence (AI) and study metrics.

DynEd would like to warmly congratulate all 1,024 participants this year for their hard work and excellent progress. These year's top winners include students from all over Italy:

Michele Mori - University of Padua - 1st place winner (photo)
