

Military Decision Makers to provide Key Updates on Flight Training Tactics at Military Flight Training Conference

SMi Reports: There's just under 3 weeks left until the 7th Annual Military Flight Training Conference takes place next month in London.

LONDON, WATERLOO, UNITED KINGDOM, September 20, 2018 /EINPresswire.com/ -- With just under 3 weeks until [SMi's Military Flight Training Conference](#), taking place 10 – 11 October in London, places are now limited and registration will soon be closing for the 7th annual event.

The two-day conference will explore the latest national approaches to pilot development, focusing on fast jet, joint force, rotary wing, and fixed wing training. This year will host over 14 international expert speakers sharing their personal experiences and expertise, as well as 5+ hours dedicated networking and an interactive panel discussion on "Challenges to Flight Training in Uncertain Climates".

Military Flight Training 2018

Attendees can expect to gain valuable insight about the recent technological advances made to synthetic and live training programmes, as well as uses of new simulators in flight training.

Highlights of this year's event include direct insight on flight training tactics from leading programme managers from international training schools, and [briefings from key international players](#), including: US, UK, France, Hungary, Canada, Sweden, and many more. Participants can also hear the military perspectives underlining the move towards synthetic training and advanced simulators.

[2018 Key Speakers Include:](#)

- Colonel Russell Driggers, 80th Flying Training Wing Commander, US Air Force
- Colonel Julien Moreau, Commanding Officer, Flying Education and Training Command, French Air Force
- Colonel Byron Newell, Commandant, Advanced Airlift Tactics Training Center, 139th Airlift Wing (ANG), US Air Force
- Colonel Tamas Bali, Deputy Commander, Hungarian Air Force

- Colonel Peter Trierweiler, Head of Flight Training, Austrian Air Force
