To Advance and Enhance Health Care for Children Locally and Globally

“STS International, Inc. is always eager to support charitable events such as the Creighton Farms Invitational. Our core values support community engagement in order to raise money and awareness to support these important causes,” says Dave Morgan, Vice President of STS International. “Over the weekend over \$1.5M was raised to support the research of treatment for PKU. This is the single largest fundraising event for this important charity and it is great to be part of such an incredibly generous community of people.” STS International looks forward to participating next year and continuing to support this important charity.

## About STS International

Founded in 1992, STS International is a U.S. Veteran Owned business with over twenty-five years of experience providing secure solutions and services to the federal government in the areas of Engineering and Integration, Enterprise and Logistics Management, Simulation and

Training, and Business and Professional Services. We have focused our efforts in the domains of C6ISR, Surveillance and Situational Awareness, IT and Cyber, Robotics and Unmanned Systems, Medical, and Emerging Markets.

Our goal at STS is to achieve mission-success for our clients in Defense, Homeland, and National Security by dedicating ourselves to the principles of innovation, agility, and excellence. What makes STS unique is our ability to swiftly meet our client's needs while sustaining an organization with global operations and a mature infrastructure to support enterprise, end-to-end solutions. Our solutions maximize best value, mitigate risks, and optimize operational

efficiency.

#### About Nicklaus' Children's Health Care Foundation

Jack and Barbara Nicklaus founded the Nicklaus Children's Health Care Foundation in 2004, in an effort to provide families access to world-class pediatric healthcare.

Collaborating with pediatric hospitals across the country, the Foundation has grown from a vision to reality, supporting innovative programs focused on the diagnosis, treatment, and prevention of childhood illness.
