

# LMS Reporting Smarter with SmartWay and IntelliBoard: Announcing a Strong Partnership in the Middle East

*IntelliBoard is now partnered with SmartWay in the Middle East to provide exceptional reporting and analytics for Moodle users.*

MONROE, CONNECTICUT, UNITED STATES, November 15, 2018 /EINPresswire.com/ -- IntelliBoard, the premier reporting and analytics provider for the Moodle™ LMS and Moodle Premium Integrator, via SmartWay, a certified Moodle Partner serving the Middle East and beyond, are excited to announce their partnership. Businesses, educational institutions and training companies utilizing the Moodle LMS have access via SmartWay to obtain real-time data with rich reporting tools.

Users of the Moodle LMS now have access to expanded reporting and analytics capabilities provided by IntelliBoard to inform their educational business decision-making. The launch of the IntelliBoard 5.0 platform in May, 2018, brought expanded reporting functionality, personalization, dashboard templates, conditional notifications and an AI assisted search function - now available to SmartWay clients. Expanded features allow LMS users to validate eLearning efforts through user-friendly, on-demand, real-time insight and improve workflows.

"SmartWay is a widely recognized supporter of the Moodle LMS, and is well-known throughout the world as having a strong client base with excellent knowledge and support," stated Anatoliy Kochnev, CEO of IntelliBoard. He continued, "we are thrilled to be working in partnership with them."

"IntelliBoard adds value to our services in eLearning analytics. It is important for any manager and/or admin in the LMS to understand the learning gap - where learning analytics provides the answers. Reporting and analytics are a growing priority for Moodle LMS users, and SmartWay found all the tools and reports we sought to provide our clients through IntelliBoard," stated Ismaeel Hazouri, CEO of SmartWay.
