

# Kuwait Infrastructure Summit kick-starts today in Kuwait

*Organised by IQPC Middle East this 2-day event had brought together influential stakeholders from the region who discussed their strategies and visions.*

KUWAIT CITY, KUWAIT, December 3, 2018 /EINPresswire.com/ -- The Kuwait Infrastructure Summit kick-started today at the Hilton Kuwait Resort in Kuwait. Organised by IQPC Middle East

this 2-day event had brought together influential stakeholders from the region who discussed infrastructure challenges and futuristic approaches on their strategies and visions.

The conference was held under the kind blessings of Ministry of Electricity and Water, Kuwait Council of Engineers and Kuwait Green Building Council. Further key government stakeholders like Ministry of Public Works Kuwait, Public Authority for Roads and Transport and Public Authority of Housing Welfare are supporting organisations to the summit.

Infrastructure development and maintenance is one of the key pillars of the Kuwait's National Development Plan 2035, and this summit will gather the experts to brainstorm solutions and showcase their best developments across the region.

Eng. Hamoud Bader Al - Roudan, Assistant Undersecretary of Water Projects Sector, Ministry of Electricity and Water, Kuwait, delivered the first keynote of the day followed by Saad Muhaillbi, Director of Master Planning Department, Kuwait Municipality.

A panel comprising of Mohammad Najam Khan, Advisor - Bridge and Road Structures, Department of Urban Planning and Municipalities, Abu Dhabi City Municipality; Saad Muhaillbi, Director of Master Planning Department, Kuwait Municipality, Kuwait; Hany Farahat, Director General, Worley Parsons, discussed on envisioning the future of the regional infrastructure development and transportation planning.

The summit had China State Construction Engineering Corporation as platinum sponsor, ECO as gold sponsor, HOT Engineering & Construction and CYTECH International as silver sponsors, and strategic and networking partners include ASTAD, NIKKON, Kohlhauer East Group, PRODOR, ACTION International Services, CCL, Almeer Industry for Control Panel Co, Kuwait Insulating Material Manufacturing Co. (KIMMCO), Arab Group for Equipment and Construction (AGECO), Fli Systems, Ford Trucks and AlGhanim Auto.
