

Stuart Burchill of Industrial Nanotech Inc. Announces Upcoming PCAOB Audit

Company Prepares for Uplisting to More Senior Stock Exchange

NAPLES, FLORIDA, UNITED STATES, February 7, 2019 /EINPresswire.com/ -- Industrial Nanotech, Inc. (OTC PINK : INTK), a global leader in nanotechnology based energy saving solutions, today announced that it is engaging Malone Bailey, LLP, a PCAOB registered accounting firm, for preparation of the Company's 2018 and 2017 audited financial report.

The Company previously posted PCAOB audited financials for 2013, 2014 and 2015. Not only does this provide transparency to shareholders and investors, it may also provide new insights about this industry and its market.

"We are committed to our shareholders and to our continued growth," states [Stuart Burchill, CEO of Industrial Nanotech Inc.](#) "Planning for 2017 and 2018 financial audits is another step in progressing towards our goal to list on a more senior exchange in the future."

[Stuart Burchill](#) continues, "We have transformed the Company from one dependent on investors to one that is self-sufficient, profitable and growing. We are increasing our technology and product portfolio while increasing our sales substantially to Fortune 500 Companies. In addition, we have a new OEM beginning Q1 2019 with a Fortune 100 Company. Now it is time to bring the Company's reporting protocols, capitalization structure, and share structure in line with those that are expected by, and will appeal to, a broader range of shareholders, including institutional investors."

Additional information will be provided by [Stuart Burchill](#) to shareholders periodically through upcoming press releases and continually at the Company's Facebook page and corporate website:
