

Louisiana Mesothelioma Compensation Center Now Urges an Energy or Utility Worker in Louisiana with Mesothelioma to Call for Instant Access to Attorney Erik Karst one of the Nation's Top for Lawyers for Compensation

NEW ORLEANS, LOUISIANA, USA, June 4, 2019 /EINPresswire.com/ -- The Louisiana Mesothelioma Compensation Center says, "Our top priority is to see to it that a person with mesothelioma in Louisiana receives the very best possible financial compensation settlement. We are especially focused on assisting public utility or energy workers with this rare cancer caused by asbestos exposure as we would like to explain anytime at 800-714-0303.

"From a potential financial compensation standpoint, a public utility or energy worker with mesothelioma in Louisiana could be looking at a compensation settlement of a million dollars or more if they have some of the nation's top lawyers assisting them as we would like to discuss anytime at 800-714-0303. To get the compensation job done we offer instant access to attorney Erik Karst and his remarkable colleagues at the law firm of Karst von Oiste." www.karstvoniste.com/

“

To get the compensation job done we offer instant access to attorney Erik Karst and his remarkable colleagues at the law firm of Karst von Oiste.”

*Louisiana Mesothelioma
Victims Center*

The Louisiana Mesothelioma Victims Center wants to emphasize a public utility or energy worker with mesothelioma in Louisiana or their family members will need to focus in on retaining the services of specialist mesothelioma attorneys if they expect or hope to receive the very best possible financial compensation settlement results. It is for this reason the group has endorsed the law firm of Karst von Oiste and their founding partner Erik Karst. Erik Karst has a demonstrated history of going above and beyond the call of duty for his clients when it

comes to a person with mesothelioma as the group would like to explain at 800-714-0303.”

When the Louisiana Mesothelioma Victims Center mentions public utility or energy workers-they are referring to

- * Electrical services providers including power plants/power house
- * Water districts such as Sewage and Water Board worker in New Orleans
- * A natural gas provider worker for residential or commercial users throughout Louisiana
- * An oil refinery worker anywhere in Louisiana
- * A chemical plant worker anywhere in Louisiana
- * An offshore oil rig worker anywhere in Louisiana

The Louisiana Mesothelioma Victims Center wants to emphasize there is a statewide initiative available to a diagnosed victim anywhere in Louisiana including communities such as New Orleans, Baton Rouge, Shreveport, Lafayette, Lake Charles, Kenner, Bossier City, Monroe. www.karstvonoiste.com/

When it comes to treatment options for mesothelioma in Louisiana the Louisiana Mesothelioma Victims Center strongly encourages diagnosed victims to contact the following cancer treatment centers in Louisiana, and in Texas. Note: The MD Anderson Cancer Center in Houston, Texas may be one of the most capable mesothelioma treatment centers in the world.

* Oshner Cancer Institute New Orleans;
