Connecticut

As Connecticut Mesothelioma Victims Center would like to discuss anytime at 800-714-0303, "We have also endorsed the law firm of Karst von Oiste because they are incredibly honest. We cannot emphasize enough-once you hire a law firm to assist with a mesothelioma compensation claim you are stuck with them. It is almost impossible to fire them as we would be happy to discuss anytime at 800-714-0303. Why hire lawyers who will overcharge you and or provide you with less than satisfactory compensation results?"

“

"Our bottom line-we want a person with mesothelioma in Connecticut to receive the best possible financial compensation settlement results-and we suggest the lawyers at Karst von Oiste to get it done."

Connecticut Mesothelioma Victims Center

The Connecticut Mesothelioma Victims Center is now offering to work with a person with mesothelioma in Connecticut to develop what they call the 'list' of their various exposures to asbestos. As the group would like to explain at 800-714-0303, "Documenting your exposure to asbestos becomes the foundation for a mesothelioma compensation claim and it is a very big deal. We will do everything possible to help a person with mesothelioma in

Connecticut to develop the list because this information has such a huge impact on their compensation.

"Our bottom line-we want a person with mesothelioma in Connecticut to receive the very best possible financial compensation settlement results."

The Connecticut Mesothelioma Victims Center's services are available to people with mesothelioma or asbestos exposure lung cancer in New London, Groton, Bridgeport, New Haven, Hartford, Stamford, Waterbury, Norwalk, Danbury, New Britain or anywhere in Connecticut. www.karstvonoiste.com/

For the best possible mesothelioma treatment options in Connecticut the group strongly recommend the following two health care facilities with the offer to help a diagnosed victim, or their family get to the right physicians at each hospital.

* Yale Cancer Center New Haven, Connecticut
<https://www.yalecancercenter.org/>

* Hartford Hospital Hartford, Connecticut:
<https://www.harthosp.org/Cancer/default.aspx>

High risk work groups for mesothelioma in Connecticut include US Navy Veterans or shipyard workers in New London/Groton, or workers at a power plant, at an industrial facility, at a manufacturing facility, at a public utility, as a plumber, welder, a boiler technician, as an auto repairman, as an electrician, or in the construction industry. In most cases, the exposure to asbestos caused mesothelioma at one of these types of workplaces and the exposure took place in the 1950's, 1960's, 1970's, or 1980's. www.karstvonoiste.com/

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.
