

Acutrack and PrestaShop Partner to Bring Fulfillment and Publishing Services to 270,000 Merchants

Acutrack, a Silicon Valley based technology driven 3PL, has joined forces with PrestaShop, an open-source commerce platform based in Paris, France.

LIVERMORE, CALIFORNIA, UNITED STATES, August 1, 2019

/EINPresswire.com/ -- Acutrack, a Silicon Valley-based technology-driven 3PL, has joined forces with PrestaShop, an open-source commerce platform based in Paris, France. The collaboration will help over 270,000 merchants currently using the PrestaShop platform.

PrestaShop's mission is to give anyone, anywhere, the resources to open up and run a successful business and ultimately, become a one-stop platform for eCommerce worldwide. PrestaShop allows you to create a good content management system by enhancing the e-commerce platform. Thus, providing a great consumer experience.

Like PrestaShop, Acutrack's mission is to become a global fulfillment provider."
Raj Barman, CEO Acutrack

Acutrack's partnership now gives the PrestaShop merchant a fully automated, closed-loop fulfillment solution - a technology-driven 3PL partner. Acutrack's presence on both U.S. coasts allows merchants to send products in 2 days to cover practically all areas of the country. This will help save money by cutting down on high zone, high-cost

shipments.

Additionally, Acutrack's book print and fulfillment services give these merchants the ability to expand and offer physical books in conjunction with ebook fulfillment.

"Like PrestaShop, Acutrack's mission is to become a [global fulfillment](#) provider," says Raj Barman, CEO Acutrack. "We are excited about the partnership with PrestaShop - a step in the right direction. The PrestaShop merchant now has an experienced 3PL who they can trust for reliable service."
