

# Texas Mesothelioma Victims Center Now Urges a Family Dealing with Mesothelioma in Texas to Call Them for Instant Access to Attorney Erik Karst of Karst von Oiste for the Best Possible Compensation Settlements

DALLAS, TEXAS, USA, September 11, 2019 /EINPresswire.com/ -- The Texas Mesothelioma Victims Center says, "We are appealing to the family of a person with mesothelioma anywhere in Texas to call us anytime at 800-714-0303 to ensure they are talking to one of the nation's premier mesothelioma attorneys who is also based in Texas. We have endorsed attorney Erik Karst of the law firm of Karst von Oiste because we are certain he and his colleagues will deliver the best possible financial compensation results for a person with mesothelioma in Texas.

"Trust us talking directly with Erik Karst is a much better deal than ordering a 'free' generic book about mesothelioma as we would like to discuss anytime at 800-714-0303."

The Texas Mesothelioma Victims Center believes it is incredibly confusing for a family attempting to figure out how to help their loved one with mesothelioma. For starters there are too good to

be true Internet ads that suggest 'no lawsuit needed, compensation claims centers and or even mesothelioma compensation calculators,' which the group fears could lure a person with mesothelioma to hire the wrong lawyers.

“

"Before you hire a law firm to assist your loved one in Texas with mesothelioma please call us at 800-714-0303 so we can introduce you to attorney Erik Karst of the law firm of Karst von Oiste."

*Texas Mesothelioma Victims Center*

For starters the group wants to emphasize, "We fear that rather than hiring the most qualified lawyers the family of a person with mesothelioma in Texas will end up hiring a car accident lawyer-as opposed to one of the nation's most capable mesothelioma lawyers-law firms as they would like to discuss at 800-714-0303. Before you hire a law firm to

assist your loved one in Texas with mesothelioma we would like to introduce you to attorney Erik

Karst of the law firm of Karst von Oiste.

For the best possible mesothelioma treatment options in Texas, the Texas Mesothelioma Victims Center strongly recommends the following health care facilities with the offer to help a diagnosed victim and their families get to the right physicians at one of these hospitals:

\* MD Anderson Cancer Center: Houston, Texas:  
<https://www.mdanderson.org/>. The MD Anderson Cancer Clinic in Houston might be one the best cancer clinics in the world.

\* Baylor Saint Luke's Medical Center Cancer Center: Houston, Texas:

<https://www.bcm.edu/healthcare/care-centers/lung-institute>

\* Dallas Methodist Hospital: Dallas, Texas: <https://www.methodisthealthsystem.org/lungcancer>

High-risk work groups for exposure to asbestos in Texas include Veterans of the US Navy, power plant workers, oil refinery workers, oil rig workers, chemical plant workers, factory workers, plumbers, electricians, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950s, 1960s, 1970s, or 1980s. [www.karstvoniste.com/](http://www.karstvoniste.com/)

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, because Texas is one of the nation's largest energy producing states mesothelioma does happen to very good people in Texas.
