

Dentists in Reading Offering Free Consultations for Dentures Patients

Full, partial, and implant-retained dentures are available in Reading, PA.

READING, PA, UNITED STATES, October 10, 2019 /EINPresswire.com/ -- Full, partial, and implant-retained [dentures in Reading](#), PA are available from Affordable Dental Solutions. The dentists at ADS have helped thousands of patients smile again with fuller, more confident smiles.

Free consultations are available, inclusive of all x-rays. Dentists will work closely with patients to put together a treatment plan best for their needs, budget, and oral health.

Full dentures cost only \$650 per arch and partial dentures cost only \$750 per arch. Implant-retained dentures are available for \$2,999 when two dental implants are added to a patient's existing lower denture.

"Dental implants help stabilize dentures and keep them from slipping, sliding, or growing loose over time," explains Dr. Michelle Bernreuther, [dentist in Reading](#).

Dental implants are also available to help a patient replace their missing teeth. A single dental implant costs only \$2,000 and includes both the abutment and crown. Together, these help add a more natural-looking finish to a patient's smile.
